Socioeconomic Classifications

- Woman-Owned Small Business (WOSB)
- HUBZone Certified
- Certified WBENC Women's Business Enterprise

Current and Past Performance Examples

United States Marine Corps

- **Contract Number:** HHM23-P-0015, HHM24-P-1002
- **Brief Description:** Transition training for retiring service members with in-person and virtual sessions focused on professional, high-impact career development.

U.S. National Science Foundation - EASE

- **Contract Number:** 49100423F0009
- **Brief Description:** We design, develop, and manage award nomination, application, and selection portals; provide data analysis and call center support; lead communications across communities; coordinate national recognition events; and foster ongoing alumni engagement. Viderity ensures seamless program delivery while expanding NSF's impact among STEM educators and mentors nationwide.

U.S. National Science Foundation - Digital Services

- **Contract Number:** 49100421F0016
- **Brief Description:** We deliver Drupal web and iOS/Android mobile design, development, graphic design, publications, animation, scientific illustration, data dashboards, and digital marketing to help make grant data and complex science visually engaging, accessible, and easier to understand for researchers, policymakers, and the public alike.

U.S. National Science Foundation - ITSIS/ITMAS

- **Contract Number:** 49100424F0001
- **Brief Description:** We support NSF through agile, DevSecOps-driven application development, infrastructure management, system maintenance, data visualization, and user training. Our work strengthens NSF's IT resilience, boosts operational efficiency, and empowers smarter, data-informed decisions.

U.S. Department of Labor

- **Contract Number:** 1605DC18P00128
- **Brief Description:** Website support including Drupal development, CX/UX, design, operations, and admin support.

United States Patent and Trademark Office

- **Contract Number:** 1333BJ19F00274008
- **Brief Description:** Digital recruiting design, advertising strategy, social media, web support, and marketing consultation.
