BOWHEAD MISSION SOLUTIONS

Bowhead Mission Solutions, LLC (BMS) is an Alaska Native 8(a) Small Disadvantaged Business that provides Aviation and Mission Assurance solutions. By bundling these solutions, the Federal government is able to speed up the implementation cycles and quickly respond to high priority, mission critical needs.

Our team has over 80 years of combined all-hazards mission assurance experience tailoring a risk management framework which focuses on prioritizing scarce resources against the greatest risks. As a result, we can help any organization transform mission preparedness and security efforts from a potentially high-cost, risk-averse approach to one that seeks to be risk prudent and cost-effective.

Bowhead leverages the Bowhead Capability Maturity Model Integration (CMMI) Level 3 maturity to all service offerings. The Mission Assurance Team is comprised of Subject Matter Experts (SME's) who understand how to take advantage of advances in technology and automate Processes, such as:

- Comprehensive Risk Management
- Business Continuity
- Physical Security
- Anti-Terrorism
- Emergency Preparedness
- Instructional Design and Delivery
