CAPABILITY STATEMENT

POWTEC Services, LLC, a certified Small Business Administration (SBA) 8(a) entity, is proudly owned by the Craig Tribal Association (CTA) and the Organized Village of Kasaan (OVK) on Prince of Wales Island in Southeast Alaska. Our expertise lies in delivering comprehensive IT and Engineering Services, focusing on Environment, Infrastructure, and Management. We actively engage with our clients, understanding their needs to provide cost-effective solutions. Throughout the project life cycle, we offer support services to federal government agencies (both classified and non-classified contracts), prime contractors, state governments, and local municipalities. POWTEC Services, LLC is your reliable partner in navigating the dynamic world of technology. Let us help you turn your vision into reality with our expertise!

- **Management and Operational Excellence**
 - o Program Management, Logistics, and more
- **Technological Excellence**
 - o IT Consulting, IT Security, and more

DIFFERENTIATORS

- **Special Rights Under the SBA 8(a) Program:** Tribal 8(a) firms are eligible to receive sole source 8(a) contracts regardless of dollar size with no upper limit.
- **Sole-Source Contract Awards Opportunities:** As a tribal owned 8(a) company, POWTEC Services is eligible to receive sole-source contracts up to \$25M without additional justification from Civilian agencies and up to \$100M without additional justification from Department of Defense.
- **No Affiliation in Teaming with POWTEC Services, LLC:** The affiliation rules applicable to size standard determinations by the SBA do not apply to tribal 8(a) enterprises.

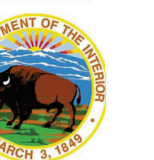

WHY CHOOSE Us ?

- **Proven Expertise:** Our adept team brings years of experience and a history of success in delivering innovative and reliable solutions.
- **Client-Centric Approach:** We prioritize understanding your unique needs to tailor solutions that align with your business objectives.
- **End-to-End Solutions:** From project inception to completion, we offer end-to-end solutions, transforming your vision into reality with precision and expertise.
- **Reliable Support:** Count on us for ongoing support and collaboration, ensuring the continued success of your digital initiatives.

CURRENT CLIENTS

FUTURE CLIENTS

ENVIRONMENTAL SOLUTIONS

At POWTEC Services, LLC, we are your trusted partner in addressing environmental challenges. Explore how our expertise can support your specific environmental needs, from tracking and monitoring to securing permits and beyond, particularly in the realm of water resources. Rely on us for comprehensive solutions that align with your environmental goals.

Our specialized services encompass a spectrum of areas, including:

- Natural/Streams Water Resources: Management of water resources in natural streams.
- Restoration of Natural Resources: Efforts dedicated to restoring and preserving natural resources.
- Aquatic Services: Specialized services related to aquatic ecosystems.
- Compliance Solutions: Tailored solutions to ensure compliance with regulations and standards.
- Environmental Assessment: Comprehensive assessments to evaluate environmental impact.
- Monitoring Services: Ongoing monitoring to track and analyze environmental conditions.
- Planning and Studies: In-depth planning and studies to inform environmentally conscious decisions.
- Permitting Support: Assistance and support for obtaining necessary permits in compliance with regulations.

INFRASTRUCTURE EXCELLENCE

At POWTEC Services, LLC, we bring together strategic acumen and seasoned experience to address our clients' paramount concerns and intricate challenges in infrastructure management. Trust us to navigate the complexities of infrastructure with precision and expertise

Our comprehensive services encompass:

- Comprehensive Planning and Studies: In-depth analysis and planning to inform strategic decisions.
- Effective Asset Management: Maximizing the value and performance of assets through efficient oversight.
- Thorough Facility Condition Assessment: Comprehensive evaluation to gauge the condition and functionality of facilities.
- Precise Cost Budgeting: Accurate financial planning to ensure resources align with objectives.
- Transportation Maintenance, Repair, and Traffic Control: Managing and optimizing transportation systems with a focus on maintenance, repair, and traffic control.
- Water Infrastructure Assessments and Inspections for Adjacent Areas: Evaluating and inspecting water infrastructure in surrounding areas for comprehensive insights.
- Expert Energy Management and Audits: Proficient management and audits to optimize energy consumption and efficiency.
- Rigorous Utility Assessments: Thorough evaluations to enhance the efficiency of utility systems.
- Commitment to Health, Safety, and Environmental Standards: Upholding high standards to ensure the well-being of individuals and the environment.

MANAGEMENT and OPERATIONAL EXCELLENCE

Elevate your operations with the professional expertise offered by POWTEC Services, LLC. Whether it's logistics, program management, or comprehensive services spanning supply chain to asset tracking and management, our dedicated team is poised to provide unwavering support for your success. Trust us to optimize and enhance your operational efficiency with precision and commitment.

Our industry leading services cover the following areas:

- Program Management: Skillfully overseeing and coordinating initiatives for optimal results.
- Administrative Management: Efficiently managing administrative tasks to streamline operations.
- Asset Management: Maximizing the value and performance of your assets through expert oversight.
- Cost Budgeting: Precise financial planning to ensure resources align with your goals.
- Planning and Studies: Conducting comprehensive analyses and planning for informed decision-making.
- Independent Validation and Verification: Ensuring the integrity and reliability of processes through rigorous scrutiny.
- Alternatives Analysis: Evaluating and recommending alternative solutions for well-informed choices.
- Logistics/Supply Chain: Expertly managing logistics and supply chain processes for smooth and efficient operations.

TECHNOLOGICAL EXCELLENCE

At POWTEC Services, LLC, we embody a proactive and risk-managed approach that harnesses robust processes to consistently deliver predictable and exceptional results. Our commitment to technological prowess ensures your projects thrive with precision and reliability, setting the stage for your success in an ever-evolving landscape. With a dedicated team of experts, we specialize in crafting innovative website designs, seamlessly developing robust applications, and offering top-tier management services. From enterprise-wide help desk support to scaling intricate applications, providing expert database design services, and IT service in the following areas:

- IT Consulting: Expert guidance for your information technology needs.
- Geographic Information System (GIS): Leveraging spatial data for insightful decision-making and precision mapping.
- IT Security: Ensuring the integrity and protection of your information technology systems.
- Database Management: Efficient organization and maintenance of your data repositories.
- Field Data Applications: Tailored applications to optimize data collection and field operations.
- UAV / Imaging: Utilizing unmanned aerial vehicles for advanced imaging and data capture.
