

# Advanced Decision Vectors, LLC

Headquartered in Alexandria, VA, Advanced Decision Vectors, LLC (ADV) is firmly built upon exceptional customer oriented support and consulting services completed on time and on budget adding value to current and future operations worldwide. Existing workstreams are separated by service offering.

## Our Capabilities

### Intelligence Operations

- Counterintelligence
- Criminal Investigation
- Law Enforcement Training
- Gang Threat Intelligence
- Espionage
- National Security Psychology
- All-Source Intelligence
- Counterterrorism
- Operational Psychology
- Correctional Threat Intelligence

We service a broad range of national security, operational, and investigative requirements, including Counterintelligence (CI) investigations and operations, counterterrorism, source operations, criminal investigations, human factors, analysis, research, training, and personnel support activities in order to develop and orchestrate strategic efforts to systematically identify and degrade foreign-intelligence and terrorist threats

### Enterprise Services

- Project Management
- Cloud Applications
- Custom Work-Flow
- Policy
- SharePoint
- Enterprise Architecture
- Governance
- Web Design
- User Experience Design

Provide project management, policy, and governance for organizational information and resources while establishing document repositories, designing web portal functionality, automating legacy processes by implementing custom workflows while redefining the IT structure and operation. Our intent is focused on effectively achieving customer future objectives through establishing Cloud-based applications among the internet of things (IoT) and migration to a Service Oriented Architecture.

### Administrative Support

- Correspondence Management
- Document Review
- Event Planning / Management
- Scheduling
- Task Management
- Travel

Provide administrative oversight in the daily distribution of incoming and outgoing mail and official correspondence to Senior Leadership. Functions within headquarters elements include; control internal work-flow and processes of civilian and military staff supporting Agency Directors, Deputy Directors, and their military/civilian assistants, and enterprise-wide management of the Agency. Functional support includes the delivery processing, collecting, and tracking thru Correspondence and Task Management Systems (CATMS), and entering incoming memos, reports, and other documents and scheduling, making domestic and international travel arrangements and itineraries, sending invites, setting up teleconferences, reserving parking for foreign guests, preparing conference rooms, and a variety of preparatory documents to support meetings.

### Management Consulting

- Broadcast/Media Production
- Strategic Communication
- Training Facilitation
- Cost Benefit Analysis
- Facilities Management
- Strategic Planning
- Data Analytics

We produce programmatic themes and broadcast media presentations across education, corporate, and Federal institutions. Additionally, consultancy activities are delivered to Senior Executives via leadership training, make-or-buy decisions, and the analytics to support transformational strategies.
