

## Who We Are

**Government Solutions Group (GSG)** is a proud member of the Chickasaw Nation Industries (CNI) family of companies. As a small, SBA-approved 8(a) business, GSG operates with the flexibility and agility of a small business and the stability, support and resources of a large company. GSG provides expertise and guidance to federal government agencies to help navigate complex challenges and achieve goals. Through in-depth consulting, policy analysis, program management, strategic planning, and human resources support, GSG leverages its team of experts and deep understanding of government operations, regulations, and procedures to help federal agencies operate more efficiently and effectively.

## The Tribal 8(a) Advantage

- CNI LLCs have tribal 8(a) status, which offers our customers a sole source procurement method that permits the selection of a qualified contractor of choice to meet emerging program requirements.
- Direct Award contracts can be awarded up to \$25 million (\$100 million for DoD) without justification & approval (J&A). Awards cannot be protested (13CFR §124.517(a)).
- The process normally reduces procurement time by 75 to 80 percent, or more, depending on the size and complexity of the contract.
- Contracts can be initiated with a simple high-level Statement of Work.
