

GSA 8(a) STARS II Government-Wide Acquisition Contract (GWAC)

Contract Number: GS00Q17GWD2183

Period of Performance: 06/27/2017 - 08/30/2021

Categories: Both Constellations + All Functional Areas

STARS II Contract Manager: Dr. Charles Dadoo, CEO | 443-818-2733 | cdadoo@digitalspec.net

STARS II Sales Lead: Mr. Vishal Dadoo, President | 443-818-2736 | vdadoo@digitalspec.net

What is the GSA 8(a) STARS II GWAC?

GSA 8(a) STARS II is a multiple-award, indefinite-delivery/indefinite quantity (IDIQ) GWAC designed to provide federal agencies with flexible access to cutting-edge IT solutions from award winning 8(a) small businesses.

Functional Areas

These IT service solutions range from simple to complex, covering four (4) key functional areas, each containing a corresponding North American Industry Codes (NAICS).

- 1) 541511 - Custom Computer Programming Services
- 2) 541512 - Computer Systems Design Services
- 3) 541513 - Computer Facilities Management Services
- 4) 541519 - Other Computer Related Services

Constellations

GSA uses two (2) constellations to classify 8(a) STARS II GWAC vendors. The addition of *Constellation II* further limits the pool of qualified 8(a) contractors by requiring extra credentials, such as CMMI and ISO Certifications.

- ★ Allows agencies to limit pools of potential service providers demonstrating the strongest expertise in key federal and commercial standards
- ★ Results in lower risk, higher yield, and greater probability of success

Features and Benefits

Agencies can access 8(a) firms through an established contract vehicle, rather than traditional, open-market methods

- ★ Pre-competed contract with streamlined, FAR 16.505-based ordering procedures reduces procurement lead times and saves taxpayer money

Five-Year Base Period + One (1) Five-Year Option; AND \$10B Program Ceiling

- ★ Provides enhanced opportunities for 8(a) firms

Fixed price, labor hour, and time and materials terms

- ★ Flexible contract types help mitigate risk

Protests on orders under \$10M are forbidden

- ★ Minimizes risk and supports timely order award for optimal mission support

Access to a network of exceptionally qualified, 8(a) small business partners

- ★ Enables federal clients to earn 8(a) small business credit

Two-tiered qualification system

- ★ Two (2) constellations (tiers) helps agencies narrow services to vendors

Getting Started

GSA Resources

GSA provides potential buyers and sellers with a variety of resources to guide 8(a) STARS II ordering and pricing.

- ◆ **Ordering Guide** – [Please follow this link](#) to view the latest 8(a) STARS II ordering guide [October 2018]
- ◆ **Pricing Tool** – [Please follow this link](#) to obtain up-to-date information for labor categories and pricing used on all GSA 8(a) STARS II contracts, which allows users to query data by *constellation, functional area, company name, labor category, location, and contract year*.
