

Y-TECH

Securing the Enterprise

YTECHLLC.COM

Y-Tech is an IT services and consulting firm based near Fort Meade, Maryland, focused on the federal market.

Y-Tech serves customers in 14 states and seven countries, supporting senior officials and agencies in intelligence, defense, worldwide logistics and supply chain management. Rapidly expanding, **Y-Tech was recognized in 2018 as one of the DC area's "Fast 50" growing IT firms.** The company's success is based on a simple formula: offer superior value, hire the best people, and focus relentlessly on supporting customers and partners.

Our People

Underpinning Y-Tech's corporate capabilities are our people. **In total they hold over 160 technical and professional certifications. Over 90% of Y-Tech employees hold an active DoD TS/SCI, Top Secret, or Secret, security clearance.**

A commitment to excellence starts at the top. Y-Tech's senior team embodies technical and professional depth. This translates into creative and effective solutions, well-managed projects that meet cost, schedule and performance parameters, and an ability to attract top talent to staff our projects.
