Company Introduction

Ridge2River Construction is a Native American, self certified woman owned, small business. We have been specializing in Federal Contracting since 2011 and certified by the Small Business Administration for the 8(a) program in January, 2020. It is our intent to submit offers for service with government agencies as a prime contractor, for projects issued as open competition, 8(a) sole source or 8(a) competitive. We have experience performing stand alone and IDIQ type projects, and will deliver a best value solution for all your construction needs. R2R understands what it takes to be successful and committed to accomplish all requirements of each solicitation.

Core Competencies

- Trail Bridges
- Trail Construction
- Board walks
- Overlooks
- Camp Ground Renovation
- New Construction / Buildings / Homes
- Road Bridges

Differentiators

- 10 years of Federal Contracting Experience
- Key personal on every crew.
- Experience performing and completing projects in Remote Locations.
- Design-Build project delivery.
