Why 532 GROUP?

Clients trust 532 Group to deliver innovative solutions that are feasible, usable and highly effective. Our team is built to create value and drive sustainable performance improvements.

Our Core Values

Help OUR CLIENTS be successful.

We work with federal agencies who serve and support very important missions. At 532 Group, we commit to our clients' missions, tackle complex problems, deliver on objectives, and achieve significant performance improvements.

Provide LEADERSHIP every day.

We believe that leadership embraced allows for organizations to evolve, for innovation to flourish, and for value to be created. We are leaders – it is who we are, what we believe in, and how we operate every single day.

Recognize OUR PEOPLE as our greatest strength.

Our people are experts at what they do. Each member of our team has the power to make a difference – for our clients, their colleagues, and our company. We are dedicated to the success of our people and to providing an environment that is supportive of making a difference.
