

Capability Statement

Company Overview

ATS Training & Consulting Company (ATS) has been engaged in providing high quality training development and delivery services to government and corporate clients since 2001. We are a certified minority woman-owned small business enterprise which is typically rated in the top 10% of suppliers by our clients. ATS has a repeat business rate of over 90% with our client base. ATS is certified by the Small Business Administration (SBA) as an 8(a) company and by the Ohio Department of Transportation (ODOT) as a Disadvantaged Business Enterprise (DBE).

Value Proposition

Deliver award winning excellence in training services. On average, our customers achieve a 6 time return on investment and 30%-50% increase in productivity. ATS has an 18 year track record of delivering best in class training solutions to our government and corporate client base. ATS has won multiple awards for our training programs, including best in the nation program by the training magazine.
