ABOUT JAG

We demonstrate our deep sense of personal responsibility and project ownership.

We believe in quality, excellence and integrity by being transparent in our business practices and honoring our commitments.

We believe in teamwork and working collaboratively with each other to achieve business results.

We are committed to ensure the health, safety and well being of our employees and clients with a fulltime in-house Safety Officer and weekly Training and safety awareness meetings.

CORE COMPETENCIES

JAG Offers complete ground up solutions and services to our clients with Electrical Mechanical Plumbing & Communication Services with one single point of responsibility.

JAG delivers services to the federal government, state and local municipalities. We provide fast, reliable, immediately productive, and experienced services, from multiple disciplines to reduce cost to our clients and ensure customer satisfaction. We constantly strive to be a company that delivers an outstanding work product without requiring a lot of maintenance from our clients. Our ultimate goal is to surpass your expectations and make your job easier, not more difficult.
