Predictably Reliable. Every time.

CAPABILITY STATEMENT

GTS Group, a predictably reliable ISO 9001:2015 QMS-driven company, provides comprehensive and best-value logistical services and transport solutions including air and ocean freight, door-to-door project cargo, contract airlift, air charter, project freight management and total logistics management services. GTS supports OCONUS and CONUS projects, for both government agencies and its contractors, as well as commercial organizations. We support DOD and DOS cargo projects, hazmat, radioactive, avionics, biopharma, construction, energy and infrastructure, and multimodal, multi-transborder Project Management requirements worldwide.

CORE COMPETENCIES & LOGISTICS EXPERTISE

GOVERNMENT & MISSION CRITICAL:

GTS has extensive experience operating in and out of distressed and geopolitically sensitive areas including but not limited to the Middle East, Central Asia, Africa, Korea and Afghanistan.

CARGO TRANSPORT & MANAGEMENT:

Our Project Cargo Management team has renowned expertise and proven success blueprinting, organizing, building, operationalizing and managing custom supply chain solutions in and out of the world's most challenging regions.

DANGEROUS GOODS:

GTS is comfortable with the unusual and we thrive in HAZMAT, including the Class 1 Explosives, and Radioactive arenas. We are also expert in lithium batteries, and cold chain, biological samples.

TRANSPORT SERVICES:

GTS has mastered the complexities of air cargo contract airlift, air charter and commercial air forwarding as well as ocean container forwarding, Roll-on/Roll-off, and break-bulk operations in foreign ports. We provide import customs clearance and last mile delivery worldwide.

WAREHOUSING AND BOX SHOP:

GTS has a fully operable 50,000 sqft warehouse in Sterling, VA (Dulles). Inventory and ITV status is viewable in our cloud-based inventory and transport management system. Our in-house box shop fulfills all skidding, crating, palletizing, kitting, packaging, staging and CTR requirements.

DIFFERENTIATORS

GTS supports its customers by providing predictably reliable, QMS-driven turnkey logistics solutions worldwide. Our highly experienced team manages mission critical operations across the globe, and we have been quoted by many customers as going "above and beyond expectations" [with our] "world-class customer care and flawless execution". Our attention to detail, industry experience and best practices provides best-in-class logistics solutions to every customer we work with. If an unforeseen issue does arise, GTS will always rectify it.

PAST PERFORMANCE

GTS Group has a proven track record of delivering above and beyond results to customers in both the government and commercial space. GTS Group's experience ranges from commercial manufacturers, oil and gas and infrastructure sectors, nuclear power companies, biopharma, and the U.S. Government and its prime and subcontractors. GTS has successfully managed countless programs, each with its own unique shipment and commodity requirements, while protecting the financial interests of its customer base. High volume, long-term contract examples include operating a proprietary cargo airline with supporting operations on four continents, as well as a Central Asian port offload program with block train rail distribution.
