

Mission: To become the leading supplier for diversity, prioritizing excellence in quality, service and transparency.

Vision: To provide high-quality products with cost-saving solutions.

COMPANY PROFILE

AlphaVets, Inc. is a leading diverse supplier that provides quality, name-brand products to federal and commercial customers. Our leadership has over 30+ years working in global supply chain management. We offer over 1 million products from a variety of categories. AV specializes in contract solutions for local, state & government agencies where integrity is first followed by excellence in what we do. Our exemplary customer service and fair pricing are just a few of the top values that separates us from others!

President & CEO, MAJ Cynthia L. Spragg, USAF (ret.), PhD, is a retired Air Force Officer with 35 years leadership experience. She has served 23 as an enlisted member in the Navy Reserves and 12 years as an officer in the Air National Guard. Her deployments include Operation Desert Shield/Storm, Operation Enduring Freedom, and Operation COVID-19. Cynthia holds a Bachelor's degree in Physician Assistant Studies, Master's in Public Health, and Doctorate in Health & Rehab Sciences.
