GSMA is a seasoned prime contractor, with a Facility Clearance, to Federal, State and Local government agencies with a proven track record of flexibility and versatility. Our integrative solutions to security and facility management contracting creates cost effective force multipliers and versatility that extends across all disciplines of Maintenance, Facility Management, Physical Security, and Information Technology.

	Provide a tailored, diversified total solution consisting of twenty-four-hour armed security forces, Total Facility Management, Total Maintenance and Logistics Procurement to the Bureau of Prisons from June 2020 to present. The facility consists of 355,000 square feet of building space on over 600 acres.
	Provide twenty four-hour Security Control Center and Badging Operations, Security Administration and Facility Support Services to a Department of Defense facility from August 2017 to Present. The 12-acre facility consists of two large buildings that house office space, foundries, and compartmentalized secure areas.
	Provide security officers and Emergency Medical Technicians to multiple National Park locations within the Golden Gate National Recreational Area including Alcatraz Island and the National Historic Maritime Museum from September 2017 to Present.
	Provide Security Officers to US Fish and Wildlife Service from August 2014 to Present performing basic security functions of parking lots, boatyard monitoring, access control, perimeter physical security, pedestrian, and vehicle access check points.
	Provided twenty four-hour armed security force and facility support staff to Energia U.S. Port of Long Beach Terminal from December 2008 to March 2020. The facility is 16.75 acres and consists of two ships in terminals, one pier, fifteen buildings, storage spaces, and processing areas.

GSMA is a Native American, Veteran-Owned, SBA certified Small Disadvantaged Business Enterprise (8a) founded in 1998. GSMA maintains a DISS Facility clearance and is eligible for SBA (8a) and SBA-SDB set-asides and sole-source contracts.
