Capability Statement

Who Are We

Nair Contracting Group, LLC (NCG) is an 8(a) company that specializes in construction, environmental, demolition, and remediation company based in Delray Beach, Florida. With over 6 years of experience, NCG has built a strong reputation among government agencies and commercial clients based on our outstanding quality of work and superior customer services. The NCG Team specializing and experienced in performing multiple facets of federal construction, managing projects through effective engineering, scheduling, safety, and financial management controls. NCG has a bonding capacity of \$4M single/\$10M aggregate.

What We Can Do

NCG provides a broad range of design-build, preconstruction, construction, construction management, demolition, and abatement services for both government and commercial clients. Our Team has a combined **40+** years of experience in providing a broad range of design-build, preconstruction, construction, construction management, and facilities maintenance services to a variety of clients, which allows NCG to handle all aspects of a contract, to include:

- Project Management, Planning and Scheduling
- Budget and financial control
- On-Site Project Management, Construction Management (site supervision)
- Subcontractor Management
- Site Preparation & Restoration
- Demolition & Remediation Services

NCG has the in-house capability to self-perform Demolition, Doors, Frames, Hardware, Drywall, Floor finishes, Concrete, Masonry and Painting with our skilled in-house trade personnel.
