

Freedom Interiors Federal Government Capabilities Overview

Company Overview

Freedom Interiors is the premier provider of office and education furniture to the federal government market with capacity to deliver and install in all 50 States and international.

Products

Freedom Interiors represents over 100 manufacturers on our own small business GSA Schedule representing products for the office, education, healthcare and specialty environments:

- **Systems:** Panel based and freestanding systems from Herman Miller for the open plan. Designed to plan, install and reconfigure easily. Specialty command and control stations from Eaton Wright Line
- **Seating:** A range of seating covering ergonomic task, executive, training room, public space, break room, conference room and clinical spaces
- **Storage:** File cabinets, wardrobes, storage cabinets, mobile pedestals, high density storage, lockers
- **Conference:** Conference tables covering a range of function, design, materials and price points
- **Private Office:** Wood furniture for the executive in a variety of materials, configurations and price points.
- **Healthcare:** common areas, patient rooms, nurse stations, specialty products
- **Education / Training:** modern learning environments, collaborative learning, training tables
- **Specialty / Lab:** IT work benches, weapons benches and storage, corrosion resistant tops, pharmacy casework
