SERVICE COMPETENCIES

We offer four distinct, yet inter-related streams of service that can be performed either as a one-stop turnkey project or as separate singular services, depending on your base project and contract needs.

FURNITURE SERVICES

Space planning & design, furniture procurement (purchase and leasing), delivery, receipt, assembly, and installation. Surplus handling - liquidation, recycling, donation, and disposal. Refurbishment and repair.

MOVE MANAGEMENT

Planning, Project Management, and Labor to execute Moves/Adds/Changes, Re-stacks, Reconfigurations, and Relocations of staff contents, furniture, fixtures, and equipment (Office, Laboratory, Info Tech). On-base and nationally inter-base.

DECOMMISSION

Plan, coordinate, manage, and execute all phases for decommissioning of base facilities, warehouse, office space, and assets (IT included - Servers, Cabling, E-waste).

DOCUMENT MANAGEMENT

Scanning, shredding, physical records storage. Store, access, organize, and share files via an on-site installed or cloud-based encrypted DMS to reduce physical records storage space, increase productivity, and collaboration.
