Purpose

Our purpose, our “Why,” is the Alaka`ina Foundation. We are an organization that has been long-committed to serving our Federal clients’ objectives; we are also driven to give back to our communities. The goal of Alaka`ina 501(c)3 is to ensure that the young men and women of Hawai`i have the skills and competencies they need to be effective leaders. Alaka`ina is making this a reality by developing innovative educational programs that combine leadership, science and technology, and environmental stewardship. Each member of the Alaka`ina FOCs is profoundly dedicated to the success of our customers as well as that of our charity.

The FOCs delivers highly-qualified and talented personnel who share a common focus on program performance and improvement. Personnel have supported U.S. Government customer requirements CONUS and OCONUS, at numerous locations including but not limited to: Hawai`i, Alaska, Bahamas, Japan, Guam, Republic of Korea, Taiwan, Philippines, United Kingdom, Belgium, Germany, Canada, Greece, Turkey, Central America, Spain, Eastern Europe, and Africa.

Our Name

Kūpono is a Hawaiian word meaning *uncompromising integrity*. Our company name reflects both our Hawaiian heritage and our aspirations. By selecting a word that stems from Hawaiian language, we are celebrating a rich and respected culture and distinguishing ourselves as a Native Hawaiian Organization (NHO) small business.

Leadership

Our leadership is committed to the fundamentals that have made us a success: superior customer service, open communication, ethics, innovation, and technical excellence. With a strong and well-established management team driving this vision, every employee is considered a leader. We encourage our diverse team of personnel to look for new and better solutions to customer challenges.

CAPABILITIES FOCUSED ON TOTAL SOLUTIONS

Kūpono pairs extensive capabilities with procurement advantages (such as our NHO status) to deliver Total Solutions for our customers.
