### **Capabilities Statement**

Sunset Forestry Inc is a minority woman-owned small business, it provides Forestry Support Services to aid and support healthy forest and range lands, reduce the risk of catastrophic wildfires to public and private improvements, homes, or buildings in the communities that have spread into the forest. We have over 30 years of "hands-on" experience serving local, county, state and federal agencies and private landowners meet their land management needs. Our exceptional and consistent level of work quality is commonly the first compliment we receive on the services we provide.

#### **What sets Sunset Forestry Inc apart from the competition?**
