

**MarCom LLC:** We are a small, SBA-certified, Native American-owned, 8(a), and woman-owned business with offices in Idaho Falls, Idaho, Butte, Montana, and Fort Collins, Colorado. Founded in 2003 MarCom was the 2019 Department of Energy Small Business of the Year. MarCom's reputation is built on technical credibility and providing the highest caliber of qualified individuals for a diverse range of service areas. These areas include waste management, environmental services, radiological technical support, engineering, nuclear-operations, information technology, project planning, staff augmentation, professional staffing services, and industrial construction.

For more information regarding the company please visit us at <https://marcomllc.net>

## CAPABILITIES AND SERVICES

### Industrial Hygiene Services

- Exposure monitoring
- Design of control systems to reduce personnel exposure
- Program development to meet OSHA requirements, and training on required OSHA standards
- Support in: asbestos, radon, coatings, respirable silica, lead, noise, heat stress

### Industrial Safety Services

- Worksite audits and inspections
- Onsite safety representation
- Safety analyses for projects or tasks
- Program development to meet OSHA requirements, and training on required OSHA standards
- Support in: hoisting and rigging, fall protection, trenching and excavation, confined space, forklift and aerial lifts, scaffolding, electrical safety

### Information Technology Services

- Database and Web application development
- Update legacy applications
- Build applications from the ground up
- Provide Nuclear Quality Assurance (NQA-1) software
- Services include: software development, managed services, network architecture and implementation, custom software development and database design, intranet and extranet hosted and integrated solutions

### Nuclear Engineering and Radioactive Waste Management

- Design of engineering systems
- Nuclear Quality Assurance (NQA-1) software design and development
- Legacy waste information management
- Advance fuels and nuclear process modeling
- Radiological engineering
- Packaging and transportation compliance support and calculations
- Mixed waste treatment and disposal
- Providing subject matter expert support for the management of remote handled transuranic and low-level waste
- Nuclear Safety support at Hazard Category 2 research, process, and storage facilities
- Providing programmatic support

### Radiological Technical Support Services

- Providing radiological work coverage
- Writing radiological control work permits
- Enforcing radiological control requirements
- Ensuring ALARA principles are followed
- Responding to radiological emergencies as required
- D&D support for former weapons complex facilities and equipment
- Characterization of hazardous and radiological waste for storage/shipping
- Environmental remediation
- Quality and vetting of Radiological Control Technician candidates

### Project Planning, Staff Augmentation, and Project Management Solutions

- Project Management Support
- Project Planning Support
- Staffing resources
- Providing technical experts Resource Management

## Environmental Services

- Help clients meet federal, state, and local environment regulations and rules affecting property usage and management
- Waste or Possible Contaminate Characterization, Sampling and Analysis
- Underground Storage Tanks (USTs) sampling
- Sampling and Analysis Plans
- Environmental Impact Statements, Assessments, and Categorical Exclusions
- Environmental and Baseline Environmental Reports
- Preliminary Assessment/Site Inspection (PA/SI)
- Remedial Investigation and Feasibility Study (RI/FS)
- Resource Management Plans
- Soil and Groundwater Assessment and Remediation
- Stormwater Pollution Prevention Plans and Inspections
- Spill Prevention Controls and Countermeasure Plans
- Cultural Resource Management and Protection
- Environmental Monitoring
- Phase I, II, and III Environmental Site Assessments
- Chemical Management
- Engineering evaluation and cost analyses

## COMPANY INFORMATION

### MarCom Idaho Falls

525 Park Ave, Suite 2E  
Idaho Falls, ID 83402  
(208) 538-1782

### MarCom Butte

65 E Broadway, Ste. 310  
Butte, MT 59701  
(406) 565-6265

### MarCom Fort Collins

1613 Prospect Park Way  
Suite 120  
Fort Collins, CO 80525  
(208) 201-8280

### Primary NAICS Code

**562910 - Remediation Services**

### Secondary NAICS Codes

- 519190** - All Other Information Services
- 541330** - Engineering Services
- 541380** - Testing Laboratories
- 541490** - Other Specialized Design Services
- 541511** - Custom Computer Programming Services
- 541512** - Computer Systems Design Services
- 541513** - Computer Facilities Management Services
- 541519** - Other Computer Related Services
- 541614** - Process, Physical Distribution, and Logistics Consulting Services

### Cage Code/DUNS Number

**38356/146381558**

- 541618** - Other Management Consulting Services
- 541620** - Environmental Consulting Services
- 541690** - Other Scientific and Technical Consulting Services
- 541713** - Research and Development in Nanotechnology
- 541990** - All Other Professional, Scientific, and Technical Services
- 561110** - Office Administrative Services
- 561210** - Facilities Support Services
- 561320** - Temporary Help Services
- 236220** - Industrial Construction
