## Welcome to Apelles Construction

# Enterprises of Florida

## Where We Construct Your Visions

Family owned and operated since 2009, Apelles Construction Enterprises is one of South Florida's most trustworthy and credible general contractors. What makes Apelles Construction Enterprises different is the fact that it is dedicated and committed to go above and beyond with each client. The evidence to this, is that over the years Apelles Construction Enterprises has earned a stellar reputation in South Florida for providing customers with positive experiences. Apelles Construction Enterprises is 8(a) Certified by the US Small Business Administration.

In other words, your project will be completed within the planned time frame. It will fit your budget and will look the way you want. If you are looking for a general contractor in Miami-Dade and Broward counties of Florida that pays attention to details and does not cut corners call Apelles Construction Enterprises today.
