

Professional Experience

Intelligent Fiscal Optimal Solutions (iFOS) offers professional Assurance, Financial Advisory and Management Consulting services with dedicated professionals and a distinguishable performance record for public and business engagements. We have built our firm on a solid foundation of knowledge, a forward-looking vision and a belief in doing business differently.

Aptitude | People, Process, Solutions

Since 2009, iFOS has built the “right” project teams to service public agencies and industry. We have the technical expertise, business mindset, methodical approach, and ethical values to resolve operational challenges.

Our Core Values | Culture Aspirations

- **Leadership:** We foster an environment of responsibility and accountability.
- **Impact:** No emphasis is put on how much or when we work but meeting agreed-upon deadlines are non-negotiable.
- **Smarts:** We are fiscally responsible.
- **Trust:** We do the right thing for our customers, employees, business partners and global community.
- **Innovation:** We accept challenges as opportunities-not threats. We excel under pressure.
- **Quality:** Quality is not an act. It is a habit!

How do we do it?

We gather performance improvement insights, then “operationalize” them, building the appropriate structure, staffing, roles/responsibilities, and processes to meet agencies’ objectives. Our primary target is to achieve cost containment goals.

What tools do we use?

- Benchmarking Templates
- Forecasting Programs
- Budget & Financial Analysis
- Audit Compliance Software
- CMS Workflow
- Gap Analysis Templates
- Business Research
- Competitive Analysis

What sets iFOS apart from competitors?

- Staffed with Security Clearance Holders
- Zero Tolerance on Staffing Non-Performance
- Cloud-based “virtual” Project Administration with Customized Templates & Tools for Project Efficiency
- Client Benefits Range from High Level Policy & Strategic Planning, Down to Detail Cost Modeling & Analysis
