Business Description: Pacific Blue Construction LLC is a general contractor operating in the State of Hawaii. Since May 2002 (16 years) we have worked closely with and provided quality workmanship to local county, state (DAGS, DOT), and federal agencies. We have also worked with residential home owners providing quality home construction.

Bonding: \$5 million single, \$10 million aggregate – North American Specialty Insurance Co.

Line of Credit: \$300,000 / Available Central Pacific Bank of Lihue

Core Competencies / Specializations: We are a General Contracting company specializing in new commercial buildings and renovation, including residential homes.
Concrete work to include form and pour ADA concrete walkways, wheelchair ramps, parking lot curbs and gutters .
Certified in Microguard coatings of ceramic hard tile and concrete surfaces.
We are a small company with 12 employees that pursues local on island government construction projects. We do all carpentry and concrete work in house with the exception of certain specialties (plumbing, electrical, etc..)that we may not be properly licensed for, which may be subcontracted out. This is to insure that qualified people do the work that is within their expertise.
