We offer healthcare specific services to our clients; providing practical, comprehensive solutions. We adapt emerging technologies, best practices and proven approach strengths into a package focused on the customer's mission. Since its inception, KHS has been marketing its capabilities to DoD, State Department, and other federal agencies with service offerings that are focused on a range of medical healthcare services and diversified into some niche areas. KHS has expanded its services since inception to include those listed above.

**Primary NAICS:** 621111 Offices of Physicians (Except Mental Health Specialists)

**DUNS:** 078629269

**CAGE:** 6SWK9

**Bonding:** \$30M single, \$125M aggregate. The company's surety company may also approve any opportunity over and above the capacity on a case-to-case basis because of the company's strong financials and excellent work history.

### Certifications:

1. Federal Firearms License
2. FDA registered medical kit assembler
3. Controlled Substance Registration Certificate with the Drug Enforcement Agency
4. State of Ohio State Board of Pharmacy Registered Distributor of Dangerous Drugs
