Our Promise

CNIH offers a smarter way to accomplish your mission by focusing on these core deliverables:

- An improvement in delivery of business
• Competitive, fair & transparent pricing
• In-house mature “back office” resources
• Involvement/access to executive & senior management
• Quickly transition work & incumbent employees
• Short & long-term strategies are simple, secure & supportable
• Teaming with industry partners (large & small)
• Technical solutions, expertise & staff

Cherokee Nation Integrated Health is part of Cherokee Federal, a team of companies that serve federal agencies globally. Cherokee Federal is owned by Cherokee Nation Businesses — the economic engine of Cherokee Nation, the largest Native American tribe in the U.S. One-hundred percent of the company’s profits support future business investments and the well-being of the tribe’s citizens through health care, education and job creation, ensuring better lives for Cherokees today and tomorrow.

Key Contracting Benefits

Tribal 8(a) Contracting Benefits:

- Contracts are awarded rapidly for quick-turn acquisition & purchasing
• 13 CFR 124.506(b) provides no limit on contract dollar amount to tribal 8(a) companies
• Direct award ceiling, without J&A, up to \$25 million
• For DoD agencies, direct award ceiling, without J&A, up to \$100 million – per the revision of Section 811 of the NDAA
• Unlimited direct award ability with approved J&A requirements
• Tribal 8(a) sole source awards are not protestable
• Streamlined process allows for administrative cost savings
