# About Us

## Who We Are & What We Do:

Established in 2008, Adeptus Solutions, Inc. is an innovative management and Technology Services Company with a leading reputation in providing superior transformational business results. We are focused on developing and implementing solutions that directly impact our Government's top IT and Professional Services priorities.

Our solutions are based on in-depth knowledge of our clients, their mission and the unique challenges they face. We take pride in seeing our clients succeed.

Adeptus is an Economically Disadvantaged Woman Owned Small Business (EDWOSB), Woman Owned (WOSB), Small Disadvantaged Business (SDB), company.

Our staff are experts in both business and technology, bringing a comprehensive discernment to advising on relevant solutions.

We pride ourselves on the ability to provide nimble, innovative responses to multidimensional problems. We leverage our collective expertise to deliver refined, comprehensive solutions grounded in real-world multidimensional experiences.

We provide the most qualified staff at competitive rates while effectively serving our customers and embracing their challenges as our own. We increase delivered value by ensuring our employees maintain a proactive, technical training schedule and the necessary tools to succeed. Additionally, Adeptus currently holds a MAS and 8(a) STARS III contract from GSA.
