

| WE DO NOT NEGOTIATE ON EXCELLENCE. |

OUR STORY

Founded in 2007, MartinFederal has grown to provide a wide variety of capabilities as a Prime Federal Contractor with employees throughout the United States and overseas. MartinFederal is a **SOLUTIONS** company focused on improving, securing, and training in all aspects of our customer's systems and processes.

| Our Mission |

Our Mission is to be a company that supports and sustains a safe return of our nation's warfighter, astronaut, and deployed civilian through our daily efforts and driven success to exceed customer expectations.

| Our Vision |

Our Vision is for our employees to lead with ethics and to focus on developing innovative and efficient processes that will directly benefit our customers and their overall goals – from national security to geospatial research and development.

| Our Values |

Responsive.

Reliable.

Resilient.

“MartinFederal takes a lot of pride in our sharp, creative team members, and we’re thrilled that they’ve rated us among the best workplaces in the country. As a technology solutions provider, we lead by example, developing innovative, successful programs that attract, retain, and develop the best talent in the industry. Our business depends on the passion and ability of our team members to deliver great solutions to our customers, partners, and fellow colleagues.”
