

An 8(a) Small Disadvantaged Business

SES Constructors LLC (SCL) is a small, disadvantaged, 8(a) company and subsidiary of Bristol Bay Construction Holdings LLC (BBCH), a holding company of Bristol Bay Native Corporation (BBNC), an Alaska Native Corporation with operations in construction, industrial services, government services, tourism, seafood, and in-region investments.

For three decades, our best-value companies have provided federal and commercial clients with superior quality and cost-effective, innovative, and sustainable solutions for general construction, restoration services, civil works, energy infrastructure, fuels systems, environmental services, professional services, and facility support services.

WHERE WE WORK

- Projects completed (one to many) at a location by a BBCH company within the last 10 years
- ★ Bona Fide Office for a BBCH company
- Field and/or Branch Office for a BBCH company

DIFFERENTIATORS

- ◆ Bonding Capacity: \$100M per single project, \$500M aggregate
- ◆ Majority of CPARS ratings received were "Exceptional" or "Very Good" in the last five years for our excellence in superior quality, effective project management, efficient scheduling, and safety-conscious execution
- ◆ High client retention, long-standing relationships with vetted trade partners, and teams stationed in your area
- ◆ Self-performance capabilities in addition to project management, safety, and quality control
