Core Values:

Persistence, Authenticity, Integrity, and Respect

- **Persistence** is the trade mark of our company. We believe its essential in pursuit of problem solving and resourcefulness.
- **Authenticity** is embracing what makes our team unique while forging common ground with each customer.
- **Integrity** is a fundamental value. We live this daily and demonstrate this in relationships with coworkers, customers and stakeholders.
- **Respect** is important as we honor each persons right and dignity as a fellow human being. Its understanding we are distinct and recognizing our differences.

A Proven Track Record

U.S. Department of Air Force

RieLes Group has provided the Department of Air Force a variety of healthcare professionals to include surgical technicians, ultrasound technician, license practical nurses, orthopedic & urology technicians, and medical secretaries to support its mission. Our relationship with the Air Force dates back prior to RieLes Group's Inception and has continually grown.

U.S Department of Army

RieLes Group has staffed physicians, nurses, info desk clerks, certified physical therapy assistants, licensed clinical social workers, pharmacist and sleep techs within the Department of Army at several Military Installations to support its mission. For these services a project manager or contract administrator is assigned to monitor quality control and address staff needs.

U.S. Department of Labor, Bureau of Labor Statistics

RieLes Group has staffed human resources (HR) support professionals at the Bureau of Labor Statistics (BLS). They provide HR support and management services to approximately 1,500 BLS national office employees by supporting the following functional areas: Workforce Staffing & Recruitment, Human Resource services, Compensation & benefits, Workforce Development & Training, and Employee & Labor Relations. We serve as a liaison to Government points of contact within BLS.

U.S. Department of State

RieLes has staffed Occupational Health specialties at the Department of State within the office of Medical Services to provide Phlebotomist, Unit Health Nurses, Nurse Consultants, Licensed Clinical Social Workers and Health & Wellness Educators.

Centers for Disease Control and Prevention

We have consulted, recruited and staffed Research Assistants (B.S and Ph.D.), Medical Laboratory Technicians, Veterinarian Techs, Occupational Health Specialist and Human Resource Consultants for our customers in support of the CDC.

Message from the CEO

"The goal is to provide meaningful opportunities that move people to social & economic empowerment" - C. Broom

Our organization is the result of an Extraordinary Will. The will to Persist when others say you should quit. The will to be Authentic when its easy to fit the status quo. The will to exhibit Integrity when its convenient to take short cuts. The will to Respect each and every person regardless of color, creed, orientation and religion. RieLes Group evolved from this clear purpose. Its our hope to attract individuals who share our clarity in purpose while stimulating the communities where we strategically establish our business relationships.
