As a government agency, you're willing to do whatever it takes to get the job done. That's why you need a trusted government contractor partner on your side. With Thunder River Construction (TRC), you get a partner that understands the complex and competitive nature of the Federal marketplace, combined with the workforce training experience required to help your agency achieve its greater mission. As an American Indian Tribal (AIT) subsidiary of Potawatomi Business Development Corporation Federal Group (PBDC-FG), we partner with carefully selected subcontractors who have a demonstrated history of job-site safety performance and project success.
